Teacher Appreciation Week 2006

We Love
Our Teachers!

The outpouring of generosity shown by our parents and local businesses for Teacher Appreciation Week was so great that we felt we should share the results with you. Parent donations of several hundred dollars paid for a special lunch for the teachers from Harvest Thyme Cafe and for a gift bag for each teacher full of goodies and office supplies for their classrooms. The bags also had gift certificates from local businesses including Conestoga's, Atlas Carpet, David's BBQ, Hitchcock's, Tanning Transitions, Subway, The Learning Path, Lighten Up!, and Harvest Thyme Cafe. The response from businesses was very gratifying. On Wednesday night the school treated the teachers

to dinner at Stonewood Tavern in Gainesville. We had a blast and the women all proved that when they are away from diaper changing and cleaning up after little ones they know how to be beautiful and glamorous.

Of course a price cannot be placed on all the cards, presents, and flowers that went directly from you and the children to the teachers. Thank you so much for helping make sure they felt the appreciation they deserve!
